Subject: San Jacinto 104(e) Extension Request
Date: Thursday, June 12, 2014 11:46:36 AM

I'm not sure if Bob had asked you about this, but one of the recipients of a recent San Jacinto 104(e) has requested a 30-day extension on their response, and I recommend that it be granted. The company is Cajun Contractors, represented by Scott Sherman, and it has voluminous documents responsive to our request about sand it purchased from Megasand.
